

***JOIN UP.....BECOME A MEMBER***

***More than ever before, we need your support, so please renew your membership in the Arizona Asthma Coalition today.*** Did you know that the state budget for 2012 cut over 280,000 people from the AHCCCS health insurance program, with the result that tens of thousands of asthmatics will no longer have access to care? In this tough economic climate, our Coalition needs to remain strong so we can target support for better services and improved quality of life for Arizonans living with asthma.

As a non-profit partnership since 1996, AAC has worked together with concerned stakeholders including public health, environmental quality, managed care, education, individual physicians and nurses, hospitals, foundations, families and other colleagues.

Without the Coalition, there would be no Annual Asthma Conference, Asthma Guidelines for Schools, tool kits for providers, patients and school nurses. There would be one less organization advocating for cleaner air and better access to health care. ***To continue our work, we need your support now!***

With your financial support in the year ahead, we will be able to restore our part-time executive director, provide an outstanding clinical conference, continue to advocate for good public policy, and explore opportunities for new projects such as asthma training for pre-school and child care staff. Your support will also boost our leverage when applying for grants and external funding.

We know that you are involved with the Arizona Asthma Coalition because you are passionate about improving lives of people living with Asthma in Arizona. By becoming a member, you receive these added benefits:

- Vote on all AAC business
- Receive a significant discount to the Annual Asthma Conference, other asthma events and products

***Please consider asking your organization to become a Major Donor. We know we can count on you to support the work of the Arizona Asthma Coalition***

Sincerely,

Allan Wachter, MD, Chair  
Barbara Burkholder, Treasurer

Please help us achieve our goal of 100% dues paying members by filling out the form below. **Your donations are tax deductible. Checks should be made to the Arizona Asthma Coalition and mailed with the form to:**
